Jennifer Anne has been reading professionally throughout the United States for over twenty years.

She trained extensively in the metaphysical arts in New York, studying meditation techniques and the chakras with a renowned group of spiritual masters and teachers. This experience allowed her to connect fully with her Spirit & Angel Guides, and receive their information more clearly.

Jennifer is a very compassionate reader, and has a keen understanding of her clients' situations relating to love, partnerships, career and finances.

She is also occasionally able to pick up psychic impressions of past lives, as well as messages from friends or family who have passed over.
