

OLIVIER ,
was born in Normandy, France.
From a young age he became
fascinated with Magic and
Divinations.

He started to learn about Mysticism
and the laws of the universe
After studying from books and
attending seminars, he realized
that we are the creator of our own
reality.

Our mind is the one that manifests
what we experience in our life
with our thoughts.

He is an Empath and is highly
sensitive to the energies of others .
He was the co-host of a show called
" Sixth Sense Society" on YouTube .
Among the topics talked about were
Synchronicity, signs, Astrology,
cristals and more.

He has been using the tarot for over
30 years, guiding, counseling and
helping people finding themselves
After all the years of observation, he
now knows that
Magic is real .
